DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The information disclosure statement filed 6 October 2010 fails to comply with 37 CFR 1.97(d) because it lacks a statement and the fee required by 37 CFR 1.17(p) as specified in 37 CFR 1.97(e). It has been placed in the application file, but the information referred to therein has not been considered. The IDS was filed after the notice of allowance mailed on 24 September 2010 but neither the statement nor the fee were supplied. 37 CFR 1.97 requires that both the statement and the fee be provided in order for an IDS to be considered after the mailing of a notice of allowance.
